Dear Affiliates,

HITS is excited to announce the addition of Discovery American Heroes HD to the HITS Quantum HD (QHD) platform. American Heroes will launch on HITS on October 1, 2019 and will be available on QHD 9 (SES-11, transponder 6).

To add American Heroes Channel to your current line-up, please submit the standard start-up paperwork to the network.

Systems interested in receiving any HITS Signals must complete and submit a "HITS Signal Change Request Form", or request it via the [HITS Self-Service Portal](#). NAS Systems must also submit a "Channel Map Change Form."

As always, you may contact your HITS Representative at 800-824-1776, Option #5 or the HITS Support team at 800-426-7790 for questions and information regarding these changes.

Sincerely,

Allison Olien
